Set the Date
Event planning services

Entertaining is a lifestyle experience. Customize your event with an exquisite menu and theme that is tailored to create ambience for an unforgettable affair. Whether you are having an intimate dinner for two or for 100, anniversary, birthday, proposal, graduation, themed era affairs, promotion, book signing, record release, art showcase, product launch, brand experience, executive or employee retreat, hosting a party can be easy by having an intimate planner create a welcoming environment for you and your guests to enjoy themselves. The possibilities are endless for a private festivity or any other corporate event. Log on to our website at www.setthedatenow.com and experience a lifestyle of intimate and personal entertaining.
